

Webster Vienna Alumni Association

Local Connection – Global Reach

Over 2,900 Webster Vienna alumni - More than 175,000 alumni worldwide
Become part of this global network!

Webster
UNIVERSITY

Vienna
Private University

What's this?

The Webster Alumni Association has been connecting graduates worldwide to one another and to their alma mater since 1923. Each bachelor and master student automatically becomes a member with graduation day. The Vienna Chapter of the Alumni Association was established in 2005. Together with the Webster Vienna Alumni Office, the team provides alumni with career services, professional and social networking opportunities, in addition to bringing alumni together with current students and faculty.

Membership is FREE and lasts a LIFETIME!

What's in it for you!

- **Bonus Course Program (Audit):** take a course at Webster Vienna for free after graduating
- **Second degree grant:** get the last course of an additional degree at Webster Vienna for free. Restrictions apply
- **Legacy tuition grant:** receive a 10% tuition reduction if your parents/siblings graduated from Webster Vienna. Restrictions apply
- **Alumni map:** reconnect with former classmates all over the world and let the community know what you are up to www.websteralumnimap.com
- **Events:** mingle with alumni, faculty & students and expand your professional network at university events
- **Guest lectures:** join complimentary guest lectures at the Webster Vienna campus
- **Resources:** borrow books from our Library and Learning Center at no cost
- **Newsletter:** stay up to date with the latest news about Webster and fellow alumni
- **Social networking:** take advantage of Webster Vienna's online social communities
- **Contributions:** share your on-campus and professional experiences with Webster Vienna's future students
- **Connections:** get in touch with other Webster alumni around the globe when moving abroad

Webster Vienna Career Services

Webster University

Career Services

Tap into your potential & get your career started!

Internships, Jobs, CV Check, Career Events, Mentoring, Networking

What's this?

Finding an internship, looking for the first job or deciding what you would like to do for the rest of your life is challenging and requires hard work! The Career Development Center (CDC) at Webster Vienna Private University helps you navigate your way, define your career goals and prepare for the competition over the best jobs out there.

Your future employer will not only look at your academic record but also at your skills, personal attributes, talents, experiences and interests you bring to the organization. Marketing yourself is the most important marketing project you'll ever have!

Services are FREE for students and alumni of Webster Vienna Private University.

What's in it for you!

- **Career counseling:** book your personal appointment to get help with your job search strategy, your CV, your cover letter or your interview preparation

 - **Career coaching:** find answers to your career-related questions

 - **Career events:** meet your potential future employer on campus and learn about career opportunities in various industries

 - **Career workshops:** get equipped with the necessary tools, skills and insights for a successful job hunt

 - **Mentoring:** join Webster's mentoring program and benefit from the professional and personal experiences of Webster alumni around the globe

 - **Career networks:** network with business leaders and students from other Austrian universities

 - **Potential analysis with internal & external partners:** discover your personal strengths and talents, plus learn how to best match your skills and interests with a future career

- Visit webster.ac.at/cdc to learn more about what Webster Vienna Career Services can offer. Find the Webster Vienna Career Development Center also on Facebook: [/websterviennacareerservices](https://www.facebook.com/websterviennacareerservices)
