

Dear students,

Please see the following, important message about COVID-19, Spring II classes, student services, and university operations.

Due to recent developments with regard to the outbreak of COVID-19, the university will be closed to students, effective tomorrow morning, from Wednesday, March 11 through Friday, April 3, 2020.

The following is important to you:

1. Access to the building and labs:
Students will have no access to the building or any of its labs until Monday, April 6.
2. Classes:
There will be no disruption of courses: All scheduled onsite/in-person courses will be **conducted via Canvas/World Classroom**. Please login and check for all materials immediately and reach out to your professor for further instructions.
3. Registration:
If you have not registered for Spring II classes, please do so now by sending a list of the courses for which you wish to register to your advisor. Once your advisor agrees, he/she will forward it for processing. You will need to be registered in order to access the Canvas/World Classroom for the class.
4. Payment:
All payments are processed according to current payment deadlines. If you have any questions, please address via finance.students@webster.ac.at.
5. Textbooks:
There will be no textbook service available until Monday, April 6.
6. Theses Timing & Thesis Defenses:
All thesis defenses will be conducted via video conference. Your departmental coordinators will arrange and communicate the necessary details.

Theses that are delayed due to the building's closure, e.g. no access to labs, cancelled interviews or appointments, will receive incompletes for grades, and students will be given appropriate extensions.
7. Other student services:

No student services will be available onsite. Any related questions can be addressed to our Student Resource Center by email at student.services@webster.ac.at.

In case you have any questions, please send them to office.director@webster.ac.at

Take care, study well, and stay healthy,

Johannes Pollak, Director

Samuel R. Schubert, Associate Director

Michael Postmann, Head of Finance and Administration
